Firestorm FSU-UJDA870-N 8x Slimline multi-writer

Faster and better, the Firestorm Slimline Dual Layer DVD recorder drives can now record to DVD-RAM, DVD-R and DVD+R media at up to 8x speed, as well as offering an increase in recording speed to Dual Layer media. With the same high specifications and quality as its predecessors, the Slimline drive also writes to CD-R media at 24x speed, fast enough to compete with most CD-R only drives, so now you really do only need this single recording drive.

Features & Benefits
